FRESHMEN COURSE REQUESTS 2011-2012

Welcome class of 2015! As you begin your academic career at Jurupa Valley High School next year, use this form to assist you in selecting your classes in preparation for registration. Consult with your parents and teachers as you select these courses.

All of the courses available to ninth grade students can be found in your *Course Directory*. **Use a pencil to bubble in the courses you plan to take next year.**

Remember:

- ❖ You are requesting the **courses only, not periods or teachers**. The computer **will** randomly select periods and teachers.
- ❖ All ninth grade students are **required** to take **six** periods. Every incoming ninth grade student is required to take English 9, math, science, and one semester of Healthy Living. You will choose **three** classes on this form (one physical education, one elective, and one alternate). Select your requests carefully. You must remain in the courses you choose.
- ❖ **English Tutorials will replace electives for students with low reading scores or grades.**
- ❖ **Parents are to review the student's requests and then provide their signature, indicating approval.**
- ❖ **Students may begin Foreign Language in the ninth grade, if receiving A or B grade in Language Arts 8.**
